

# 2019 Glenwood City Summer Swimming Registration

## Red Cross Certified Swimming Lessons

Morning lessons will run between 9:00 a.m. – 1:00 p.m.

Evening lessons will run between 4:30 p.m. – 7:30 p.m.

**Depending on the number of children enrolled in each session it is possible that not all levels will be offered in each session. Please list a second choice on your enrollment sheet and we will make every effort to accommodate your request.**

In order to maximize comfort for our younger, more timid swimmers, lower level classes will be offered later in the morning and earlier in the evening schedule to take advantage of warmer water. Please be sure to include current contact information on the registration, as we will call with times once classes are organized.

To better prepare younger swimmers to enter the Learn to Swim program, we offer a Preschool level to our lessons. Level 1 is designed for children age 6 or older. Preschool (Age 4 & 5) class teaches skills that are age-appropriate, allowing students to achieve success on a regular basis and to build the confidence needed to enter the Learn to Swim program. **NOTE:** Children's maturity level and ability can change a lot over the course of a year and each child will be evaluated at the beginning of each session to determine they are in the appropriate class level. If the instructor feels your child should be in different level than they are originally enrolled they will discuss moving them with you.

Lessons may be canceled without much notice due to inclement weather. Typically, lessons will be held even in light rain as long as no lightning is seen. To find out if swimming lessons are canceled due to hazardous weather conditions, please call the City Hall at 715-265-4227 between 8:00 and 4:30. Signs will also be posted at the pool if lessons are canceled. We will do our best to reach out to you if we know in advance that lessons will be canceled.

Levels offered will include 3 year old, Preschool (Age 4 & 5), and Learn to Swim levels 1-6  
Lessons are offered Monday – Thursday for two consecutive weeks and last for 30 minutes each day.
